## — CUVÈE VERDEJO —

RUEDA  
DENOMINACIÓN DE ORIGEN

### GRAPE VARIETY

Verdejo

**A.B.V.** 13.5% Vol.

Total Acidity 5.7 g/l Tartaric ac.

**pH** 3.3

### DESCRIPTION

A unique Verdejo. Elaborated in microtanks and in large oak barrels, looking for a perfect balance between the varietal aromas of the Verdejo grape with those of the oak aging.

### SERVING TEMPERATURE

Keep in a dry and cool place. Serve at 8°C to 10°C.

### TASTING NOTES & FOOD PAIRING

Straw yellow color with greenish edges, bright. Intense, elegant and complex on the nose. Aromas of ripe white fruit, with elegant mineral, smoky and spicy notes. Structured and silky mouthfeel. Good balance and great persistence. In retronasal mineral and smoky notes reappear.

It harmonizes especially with oysters, sushi, seafood, caviar, pasta, risottos and white meats.

## LIMITED PRODUCTION

### CHARACTERISTICS

The grapes are cold macerated for 12 hours before pressing. It ferments with native yeasts in 500lt french oak barrels from different sources. Later it is continues to be aged on its fine lees in mini stainless steel tanks and amphorae.

### CLIMATOLOGICAL FEATURES HARVEST 2023

The 2023 harvest in the Rueda region was marked by two distinct stages. Before the September rains, there was an irregular maturation of the grapes, necessitating detailed analysis of each plot and, at times, different areas within the same vineyard.

The initial musts, although they were low in alcohol content, stood out for their acidity and aromas. After the rainfall, the grapes' maturity became more balanced, resulting in musts with a more mature profile once the vine absorbed the excess water.

In Valdecuevas, the harvest was staggered, adapting to the varying conditions of each vineyard. Compared to the previous year, this harvest was smaller in quantity but stood out for producing aromatic wines with exceptional balance on the palate.
