

Valdecuevas

— FERMENTADO EN BARRICA —

RUEDA
DENOMINACIÓN DE ORIGEN

GRAPE VARIETY

Verdejo

A.B.V. 13.5% Vol.

Total Acidity 5.9 g/l Tartaric ac.

pH 3.22

DESCRIPTION

100% Verdejo, fermented in French oak barrels for a perfect balance of fruit and a subtle touch of fine spices.

Made from selected grapes, at their optimum point of maturity and seeking their highest aromatic expression.

SERVING TEMPERATURE

Keep in a dry and cool place. Serve at 6°C to 8°C.

TASTING NOTES & FOOD PAIRING

Slight golden color with silver glints. Spicy tones, vanilla, lightly toasted, combined with the fruity and aniseed tones characteristic of Verdejo. It is well rounded with a slight acidity that brings freshness to the palate.

Perfect wine for sushi, white sauces, sausage pastry and apple pie.

CHARACTERISTICS

Fermented in 300lt French oak barrels, with fine toasting and small grain; perfect vats to blend without overpowering the uniqueness of the Verdejo variety. It is aged on its fine lees during 7 months, with weekly batonage. Afterwards, it finished its stabilization process in stainless steel tanks.

CLIMATOLOGICAL FEATURES HARVEST 2023

The 2023 harvest in the Rueda region was marked by two distinct stages. Before the September rains, there was an irregular maturation of the grapes, necessitating detailed analysis of each plot and, at times, different areas within the same vineyard.

The initial musts, although they were low in alcohol content, stood out for their acidity and aromas. After the rainfall, the grapes' maturity became more balanced, resulting in musts with a more mature profile once the vine absorbed the excess water.

In Valdecuevas, the harvest was staggered, adapting to the varying conditions of each vineyard. Compared to the previous year, this harvest was smaller in quantity but stood out for producing aromatic wines with exceptional balance on the palate.
